Re: Assessment and Collection of Regulatory Fees for Fiscal Year 2008, MD Docket 08-65; RM No. 11312

Dear Ms. Dortch:

On July 22, 2008, James Talbot, Anisa Latif and I, of AT&T, had separate meetings with Rick Chessen - Senior Legal Advisor to Commissioner Copps, Scott Bergmann - Senior Legal Advisor to Commissioner Adelstein, and Angela Giancarlo - Senior Legal Advisor to Commissioner McDowell. In each meeting we discussed the positions taken by AT&T in the above-referenced matter and emphasized the need for the Commission's regulatory fees on international bearer circuits to continue to apply on a non-discriminatory and competitively neutral basis without advantaging or disadvantaging any type of cable system or service provider. The points raised were consistent with AT&T's filings in this proceeding. The attached documents were provided during each meeting and served as the basis for our discussions.

One electronic copy of this Notice is being submitted in the above-referenced proceedings in accordance with Section 1.1206 of the Commission's rules.

Sincerely,

A handwritten signature in black ink that reads "Amy L. Alvarez". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
